## 10. Map Screen

## **References**

1. Reports – I've referred to the MPChart library by PhilJay for the reports (Github link - <https://github.com/PhilJay/MPAndroidChart>)
2. Heart Icon – I've gotten the Icon from this site - [https://www.flaticon.com/free-icon/heart\\_684262#term=health&page=1&position=1](https://www.flaticon.com/free-icon/heart_684262#term=health&page=1&position=1)

(Note: This assignment can also be viewed from my monash github account - <https://github.com/psiv0003/CalorieTrackerApplication>)
